

## Smart Couplings

DISC Couplings

JAW Couplings

HELICAL Couplings

OLDHAM Couplings

·Competitive & short leadtime solution to precision motion control in Factory Automation

To:

# NARA

We are world's leading company  
in the power transmission sector.

Established : Since 1977

No. of Engineers : 30

No. of countries served : 51

# NARA PRODUCTS

## Shaft Flexible Couplings

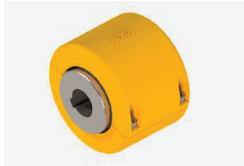

PANFLEX Couplings

GEAR Couplings

CHAIN Couplings

FLUID Couplings

JAW Couplings

DRUM Couplings

FLEXIBLE FLANGED Couplings

BRAKE DRUM Couplings

·High-quality couplings and drive technology for various industrial applications

## Gearboxes

NP series

NPR series

NF series

NFR series

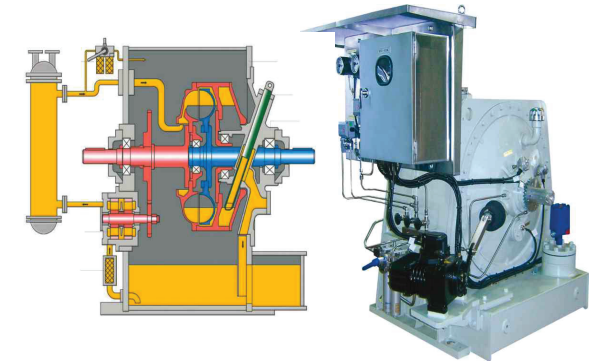

NX series

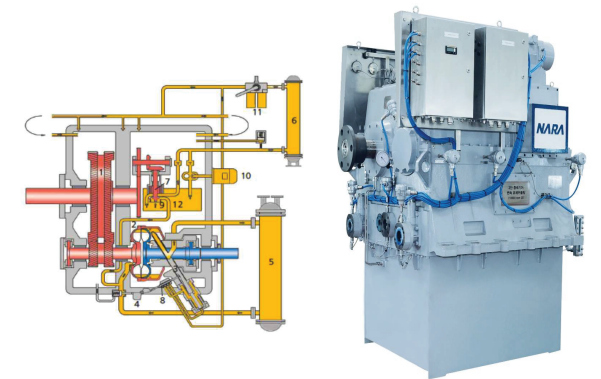

NZ series

·High-precision gearboxes with helical gears for servo motors applicable to various equipments

## Variable Speed Fluid Couplings

·Speed control of 25%~100% with maximum power transmission of 6,000 kW with 3,600 RPM

·Step-up gear integrated for higher output speed up to 15,000 RPM
